SKILLS	Kubernetes, Linux, Golang, Java, Python, Git

EDUCATION

California Baptist University — Expected: April 2024
Bachelor of Computer Science — Riverside, CA
- ABET Accredited University

EXPERIENCE

Site Reliability Engineer Intern — May 2023 - August 2023
Red Hat — Remote
- Learned Kubernetes over the summer, beginning with zero knowledge
- Worked with professionals and learned through mentorship in a fully remote environment
- Directly contributed by notifying tenants of required EOL upgrades, fixing Prometheus alerts for these versions, and also upgraded an internal image used by our team to mitigate CVEs

Residence Advisor — August 2022 - April 2023
CBU Residence Life — Riverside, CA
- Developed personal relationships with 36 residents
- Performed roommate conflict mediation and other incident response
- Helped plan and execute 2 campus-wide and 5+ living area events.

Commercial Aircraft Fueler — April 2021 - August 2021
Menzies Aviation — Portland, OR
- Fueled Boeing 737 and 737-MAX passenger planes safely
- Fueled a private charter airline with a 5000 gallon tanker
- In rare occasions if understaffed, filled in to fuel other aircraft

PROJECTS

Mobile App ("Fleet")
- Self-learned Flutter/Dart to create an app over a period of 12 weeks (Junior Design course)
- Used GitHub for version control, used branching/merges/pull requests
— **Specific contributions:**
— Signup/Login, Home, Create Trip, and Join Trip screens (UI/UX)
— Light/Dark Theme, User Vehicle Settings, and all general interface design

Personal research - Analysis of Inland Empire Patents with Python
- Utilized a dataset of major USPTO registered patents
- Used pandas to limit patent localization, cleaned the data and exported it for use
- Plotted it visually with ArcGIS

Video Editor for Music Label
- Currently creating album videos in Premiere Pro for their previous albums and upcoming releases
- In addition manage uploading videos, properly tagging, and adding a formatted description

INTERESTS

Analog Media, Fashion, Experimental Music, CRTs, Graphic Design
